Partnerships in Marine Education

OSU's Hatfield Campus in Newport, OR

M I S S I O N

Collaborative Research Partnerships

The Hatfield Marine Science Center advances the mission of Oregon State University and its partner agencies through **collaboration** and **innovation**. As OSU's campus for **research**, **education**, and **outreach** in marine and coastal sciences, and through its partnerships, HMSC improves scientific understanding of marine systems, coastal processes and resources, and applies this knowledge to social, economic, and environmental issues.
